

Schneider Electric, NSDC & PSSC to promote skill development

Schneider Electric, the global specialist in energy management and automation in partnership with the National Skill Development Corporation (NSDC) and the industry-led Power Sector Skill Council (PSSC), will co-promote a Centre of Excellence and support training of electricians for underprivileged youth in 100 Government approved skill development centres.

The MoU is a significant step in operationalising key aspects of the partnership between the Ministry of Skill Development and Entrepreneurship (MSDE) and Ministry of Education, France to strengthen cooperation in the skill development sector.

The MoU for the alliance was

exchanged in presence of Rajiv Pratap Rudy, Minister of State (I/C), Ministry of Skill Development and Entrepreneurship, Alexandre Ziegler, Ambassador of France to India, Michel Le

Devehat, Representative of Ministry of Higher Education, France, Jean-Pascal Tricoire, Chairman and CEO, Schneider Electric, and Rohit Nandan, Secretary, MSDE.
