

“Important Notice- Compliance with SMART continuous monitoring app”

NSDC has developed an app, called the [SMART NSDC Training Center App](#) (which is available in the Google Play store) for Continuous monitoring of the training center in accordance with the Guidelines for Accreditation, affiliation and continuous monitoring . All Training partners are requested to download the app and by submitting all the pictures asked from a TC, on a weekly basis report according to the push notification on the App. Non-compliance with the same may lead to revocation of accreditation certificates, stopping of financial disbursements of the training centers.”
