

Notice for Franchise & Outsourced Centres in SMART

Attention Training Providers/ Training Centres,

As a step towards making training centres TP owned, it has been decided to gradually not have **'Franchise'** or **'Outsourced'** category in the SMART portal. Therefore with effect from 20th August 2018, new Training Centres will not be able to select the type of Training Centre as **'Franchise'** or **'Outsourced'**. This will be applicable to those **'Franchise'** or **'Outsourced'** centres that will get de-accredited or are re-submitting the applications after getting de-accredited from 20th August 2018 onwards.

This change will not impact the **'Franchise'** or **'Outsourced'** centres which are still active on SMART.

Regards,
Team SMART
