

Notice for State Recommendation

This is to notify that, NSDC has enabled the feature for all the State Govt. SSDMs to create /recommend Training Provider (TP) and allow new Training Centre (TC) creation for PMKVY CSSM component on SMART. The State Govt. SSDMs are no longer required to send recommendations for any new TP creation under CSSM component to NSDC (mails send to smartrecommendations@nsdcindia.org).

With this feature all the states will now be able to recommend new TPs and allow them to create a requisite number of TCs for CSSM component only. Once the new recommended TPs creates new TCs, State Govt. SSDMs will approve the TCs created, and track the centres and their latest status on SMART.

However, State Govt. SSDMs will continue to send requests (to smartrecommendations@nsdcindia.org) **only for existing Training Centres with valid SMART TP ID & TC ID for tagging under PMKVY CSSM component.**

NSDC will stop processing recommendation request for new TPs, sent to smart recommendations ID from **12th March, 2018.**

P.S: TPs who have been recommended by State Govt. SSDMs and have created new TCs, if you not received any Login credentials request you to please check with your recommendation agency (State Govt. SSDMs) for approval.
