

Dear Training Centres,

As per PMKVY 2016-2020 saturation index, it has already been notified to you that Haryana, Madhya Pradesh, Uttar Pradesh, Punjab and Rajasthan are saturated state. Also, Accreditation and Affiliation to a Centre through SMART doesn't guarantee targets under any scheme as SMART is scheme agnostic.

As per the current procedure followed on SMART for conducting physical inspection and Desktop Assessment for saturated states, an acknowledgement mail is being shared with TCs whose inspection or DA is pending on their SPOC mail IDs. Unless a reply is received from the TC w.r.t the acknowledgement mail, the team does not proceed with the DA or inspection. Therefore it's imperative for you all (TCs in saturated regions) to revert on the email.

As per our past follow-up with such TCs, it has been noticed that revert to the acknowledgement mail was not received from 357 TCs (Annexure-I). Already more than 4 reminder emails have been shared with you all. The list of these TCs is appended as Annexure-I. Kindly check your SPOC mail IDs for the mail (Annexure II) and reply to the same.

If your TC is listed in Annexure-I and you have not replied to the acknowledgement mail, you are requested to **revert on the mail by 31st January 2018 else your TC will be de-activated on SMART portal**. In case you want any further action on your TC beyond 31st January 2018, you will have to repay the fees of INR 12000 on SMART.

ANNEXURE-II

Dear Sir/Madam,

You have applied for accreditation and affiliation of your Training Centre on SMART Portal. While logging on to SMART portal for creating this centre you have agreed to the fact that Centre Accreditation and Affiliation on SMART does not guarantee target allocation under any government or non-government funded scheme.

It is to bring to your notice that Haryana, Madhya Pradesh, Uttar Pradesh, Punjab and Rajasthan are saturated state as per PMKVY guidelines. It means that as per the present guidelines, even if your centre gets Accredited and Affiliated on SMART, it would not be allocated targets under PMKVY scheme irrespective of the star rating.

Hence, you can opt for any of the two options:

- (a) Apply for refund of fees paid for registration.*
- (b) In case, knowing fully well the implications of not being allocated PMKVY targets in spite of being accredited and affiliated, you still decide to go ahead with the procedure of accreditation and affiliation, you can do so by signing the below given undertaking .*

“I hereby acknowledge that the process of Accreditation/Affiliation does not guarantee any target allocation under any Government skill development scheme including PMKVY.

Further, I acknowledge and confirm that allocation of targets under PMKVY (2016-2020) is subject to various guidelines and conditions (which may be updated by the concerned authorities from time to time) including but not limited to the following:

- i. Guidelines for Accreditation, Affiliation and Continuous Monitoring of Training Centres for the Skills Ecosystem*
- ii. PMKVY Guidelines (2016-2020)*
- iii. Ownership – only TP owned Centres are eligible for target allocation*
- iv. States – Target allocation for Training centres in the following states are on hold: Haryana, Madhya Pradesh, Uttar Pradesh, Punjab and Rajasthan. Kindly refer to Saturation Index sheet for the updated geographical status.*

I also understand that the guidelines and conditions prevalent on date of target allocation shall apply.”

If you accept and acknowledge the above, kindly share a consent in this regard over reply to this email and basis the same we shall continue with the inspection as scheduled. In case you do not wish to continue with the inspection, you may apply for refund of the accreditation fee paid by you in view of the approved guidelines.

You are requested to revert to this mail by 31st Jan 2018.
