

Notice on Residential Metrics & Guidelines

IMPORTANT NOTICE ON 'GUIDELINES FOR VALIDATION OF RESIDENTIAL FACILITIES' FOR TRAINING CENTRES ON SMART

This is to keep you all informed of the new 'Guidelines and metrics for validation of residential facilities on SMART'. The guidelines are intended to set the quality standards and specifications required for Residential facilities for SMART approval.

The residential facility standards of Training Centres will be evaluated as per the new residential metrics & guidelines from 15th July 2019.

For details related to 'Guidelines and metrics for validation of residential facilities on SMART' please refer to the link:
