

## **Notice**

Date: 2<sup>nd</sup> August 2018

This is to inform you all, due to a technical bug/ glitch in the SMART system, some of the data and pictures from the newly uploaded data might have got swapped in your old reports. Due to this, the report which was of previous date might have the data or picture of the latest information uploaded/ updated. Also, because of this some messages in the message Centre were displayed erroneously.

We have rectified and fixed this bug. Please let us know in case you still come across such error in your application.

Regards,

Team SMART
