PROCESS FOR FRANCHISE TC TO BECOME TP OWNED TC

This is to notify all the franchise TCs, which have been accredited/conditionally accredited on SMART, that the process for becoming a TP owned centre is now available on SMART. There are 3 options available for the TC to become TP Owned

1. Become TP Owned with its existing TP
2. Become TP Owned with any other TP (The TP has to be Deemed Ready on SMART)
3. Create a new TP and become TP owned with it (The new TP has to be Deemed Ready on SMART before proceeding)

Important Note:

1. This process includes payment for TP registration and TC re-inspection whichever is applicable.
2. Once any option is chosen, it will not be rolled back on SMART.
3. SMART doesn’t mandate a TC to be TP owned, it’s a scheme’s mandate and hence the option will be reflected to all TCs. It’s a TC’s choice to opt for it.
